AGREEMENT TO USE QUESTIONNAIRE IN RESEARCH

Permission to use the “EADES (Eating and Appraisal Due to Emotions and Stress Questionnaire)” is being granted to ____________________. Modification of the tool for other participant populations is also granted. In doing so, ____________________ agrees to the following:

1. Acknowledge original authorship of the tool in any paper/poster presentation or publication, even if the tool is modified.
2. If requested, share psychometric analysis conducted on the tool with the author, Amy Ozier.
3. Provide a copy of the completed thesis/dissertation or report to Amy Ozier.
